The Royal Swedish Embassy presents its compliments to the Department of State and refers to the Department's note of January 26, 1970, concerning the Swedish diplomat Raoul Wallenberg.

In the documents forwarded to the Ministry for Foreign Affairs in Stockholm references are made to other documents. Swedish officials concerned with the matter ask whether these also could be of significance for the study of the case. It would therefore be greatly appreciated if the Department of State could grant the Ministry for Foreign Affairs access to the following documents:
